

ScreenManager::ScreenView

```
graph BT; A[ScreenViews::NCurses] --> B[ScreenManager::ScreenView];
```

A UML class diagram showing an inheritance relationship. The superclass, `ScreenManager::ScreenView`, is represented by a white rectangular box with a black border at the top. The subclass, `ScreenViews::NCurses`, is represented by a gray rectangular box with a black border at the bottom. A solid blue arrow points vertically from the top center of the subclass box to the bottom center of the superclass box, indicating that `ScreenViews::NCurses` inherits from `ScreenManager::ScreenView`.
