

Interactor::Behavior

```
graph BT; A[Interactor::Aggressive] --> B[Interactor::Behavior];
```

A UML diagram illustrating a generalization relationship. At the bottom is a box labeled 'Interactor::Aggressive' with a light gray fill. A vertical blue line with an arrowhead at the top connects it to a box labeled 'Interactor::Behavior' at the top, which has a white fill. This indicates that 'Interactor::Aggressive' is a specialization of 'Interactor::Behavior'.

Interactor::Aggressive
